23302-23308

SECTION 6 - TOXICOLOGICAL PROPERTIES AND HEALTH HAZARD DATA

This product's formulation has been evaluated by a qualified toxicologist and has been determined to be non-toxic for both children and adults, based on the use and potential misuse of the product by a small child. This product has also been awarded the CP (Certified Product) Seal by the Art and Creative Materials Institute, Inc. certifying that it contains no materials in sufficient quantities to be toxic or injurious to humans, including children, or to cause acute or chronic health problems.

Effects and Hazards of Acute Exposure: None expected.

Effects and Hazards of Chronic Exposure: None expected.

SECTION 7 - PREVENTIVE MEASURES

Handling: Good personal hygiene should be exercised when handling. Do not eat, drink, or smoke during use. Avoid contact with or near eyes. Wash hands with warm, soapy water when finished.

Storage Conditions: Store in a cool place. Keep away from heat.

Disposal: This product may be disposed of as a solid waste in accordance with applicable federal, state, provincial, and local regulations.

SECTION 8 - FIRST AID MEASURES

Eye Contact: Flush the contaminated eye(s) with lukewarm, gently flowing water, for 10 minutes, holding the eyelid(s) open. If irritation occurs, obtain medical advice immediately.

Ingestion: This product has been determined to be non-toxic. However, if a large quantity of the product is accidentally ingested, obtain medical advice immediately as a precautionary measure.

SECTION 9 - PREPARATION INFORMATION FOR MATERIAL SAFETY DATA SHEET

Prepared by Technical Support Group

June 1, 1994

The information contained herein has been compiled by OMYACOLOR, Inc. from sources it considers reliable, and is accurate to the best of OMYACOLOR's knowledge. Before using the product identified hereon, the foregoing MSDS and the product label should be read carefully. The information contained herein relates only to the product identified hereon, and does not relate to its use in combination with any other material or in any process. Customers are encouraged to conduct their own tests concerning the use of the product identified hereon as each customer's manner and conditions of use and handling may involve additional considerations. OMYACOLOR, Inc. assumes and shall incur no liability for any damages, losses, injuries, costs, or consequential damages that may result from the use or misuse of the product identified hereon, and the recipient assumes all of such liability.
